PETITIONING THE COURT

To issue a warrant

On August 8, 2024, a United States probation officer reviewed the conditions of supervised release with Mr. Penfield. He signed the judgment acknowledging his understanding of his conditions of supervision.

The probation officer believes that the offender has violated the following condition(s) of supervision:

<u>Violation Number</u>	<u>Nature of Noncompliance</u>
-------------------------	--------------------------------

1	<u>Special Condition #5:</u> You must abstain from the use of illegal controlled substances, and must submit to urinalysis and sweat patch testing, as directed by the supervising officer, but no more than 6 tests per month, in order to confirm continued abstinence from these substances.
---	--

Supporting Evidence: It is alleged that Mr. Penfield violated the above-stated condition on or about November 24, 2024, by consuming an illegal controlled substance, fentanyl, as evidenced by a signed admission form.

On November 25, 2024, Mr. Penfield submitted to a random urinalysis (UA) conducted by Pioneer Human Services (PHS). The urine sample tested presumptive positive for fentanyl. Mr. Penfield subsequently admitted to use on or about November 24, 2024, and signed a form attesting to such. This admission was made before PHS staff who also signed as witness on the form.

The U.S. Probation Office respectfully recommends the Court issue a warrant requiring the offender to appear to answer to the allegation(s) contained in this petition.

I declare under penalty of perjury that the foregoing is true and correct.
